Would you like to learn to read with Shannon Trust?

Shannon Trust is a simple way of to help people learn to read.

- Its 1-to-1, private, and only takes about 20 minutes each day that you have a session.
- You'll be helped by another specially trained prisoner.
- It's for complete beginners and for men who can read a little but want to get better.
- There are no exams and you'll go at your own pace.
- Progress can be very quick so even if you have a short sentence or are on remand your reading will get better.

I'd like to learn to read/become a mentor.
