Part 3 - comprehension

‘What kind of thing do you like to watch on television?’ asked Kelly.

‘I don’t mind really; anything but cooking programmes I guess, as I find them pretty boring’ said Saira ‘I suppose, given the choice, I tend to watch sport.’

‘So what’s your favourite sport to watch then?’

‘Athletics is probably my favourite. I really love the summer Olympics, though it’s a bit annoying you have to wait 4 years for it to come around each time. What about you Kelly?’ asked Saira.

‘I’m the total opposite! I really can’t stand any type of sport but I adore cooking shows, especially anything to do with baking. And I do enjoy a good movie.’

Saira laughed ‘Finally something we can agree on! I love films too. I like action stuff, comedies, horror; anything apart from science fiction really. What about you?’

‘I’ve been watching a lot of world cinema lately’ said Kelly, ‘You don’t get all the stunts like with Hollywood obviously, but I find that means the character development is better and the actual stories are more absorbing. Plus it gives me a chance to learn some new language skills.’

1. What type of programme does Saira not like to watch? Why?

2. What does Saira like to watch the most? What does she find annoying about it?

3. What is Kelly’s favourite type of cooking show?

Activity Pack 5 - Set 3

4. What do Kelly and Saira both like to watch?

5. What sort of films does Kelly like most and why? Answer in as much detail as you can.
