

Coronavirus

Rules for July

The Government has new rules and advice for people in England

You can meet up to 6 people in a public place*

Always keep a safe distance from others, i.e 2m apart

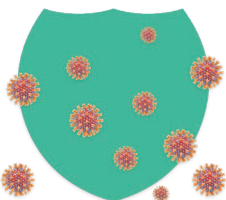

Avoid buses and trains if you can

Wear a face covering when you are on public transport, attending hospital, and indoor crowded areas

Go back to work if you cannot work from home

If you are shielding carry on

If you have any questions speak to your Offender Manager. *Remember your licence restrictions remain in place.
