Foreign National Resettlement Project

v.5

A fruit is the part of a plant that surrounds the seeds, whereas a vegetable is a plant that has some other edible part. Tomatoes, cucumbers and peppers are three examples of fruit that are often classified as vegetables.

Languages typically have a mix of regular and irregular verbs. A regular verb has a predictable conjugation. An irregular verb has a conjugation that does not follow the typical pattern. In English, many of the most common verbs are irregular.
